Meeting Agenda Items

- Discuss how to finalize our website
- Work on our presentation

Status Update Since Last Meeting

Accomplishments:

- We implemented all of the APIs and connected them to the website
- All the testing for the features was completed and everything is working properly

Tasks Completed:

Task Description	Assigned to	Completed? (yes/no)
Implement the remaining APIs	All	yes
Implement error handling	All	yes
Test all features and do the overall correctness test	All	yes

In this final meeting of the sprint and project, we acknowledged if there are any additional things that need to be completed before the project is due that night. We all discussed the specific testing we did and explained how we implemented the final APIs. Finally, we worked on our final presentation and demo.
